Attached is proposed final version – with red line on the key paragraph making some modest editorial changes, and a new sentence about the supplemental draft. This language attempts to reserve our options should the next regulatory processes not deliver as expected.

Please contact me with any concerns/suggested changes. Let's try to have the absolute final version pinned this down by noon eastern, 3 pm your time, so Jared can sign and letter can be posted. I will handle with the folks here the necessary concurrence paperwork for me to sign.

Who will post the letter to our web site? End of the day CA time would be good if that's possible.

Thanks all –

Cynthia
